Dear Parents / Guardians,

All our **Form 1 students** will join the Small Eagles patriotic education camp – “Know our Macau, Love China”, organized by the DSEJ and the Macau Flying Eagles Association. It will take place from **22nd to 24th October (Thursday to Saturday)**. It aims to increase our students’ knowledge of national defence, strengthen their determination and discipline and further foster their patriotism.

This camp site is at No. 46 Rua da Cordoaria, Coloane. It is the first educational institution in Macau that provides military trainings to students. It has been subsidized by the DSEJ since 2008. Activities in the camp provides the opportunities for teenagers to live with their peers so that they can learn to communicate with others and understand more about themselves, and through trainings and lectures they will be able to develop a set of correct values of life. At the same time, the camp can strengthen their sense of belonging towards Macau and China.

Facilities at the camp are various and safe. These include a dormitory with a capacity of 130 people, canteen, big and small conference halls, football field, basketball court, running track, rope course and climbing wall. Students are trained by professional tutors at the camp and looked after by our teachers during these three-day and two-night activities. DSEJ will cover insurance for students.
